## **Searching the Beaches:**

By Frank Trutta

Our Pacific Beach hunt on June 26<sup>th</sup> went well. Cliff Vaughan found a car, earring and \$1.47 in change, Larry Bridgeford found a pair of prescription glasses and 24 coins for \$1.35, Jerry Kaplan came up with 12 coins for 66 cents, John Howe found a set of keys, a junk ring 18 coins for \$1.57 and a challenge coin, Tom Alaniz came up with 15 coins for 96 cents a pair of glasses and a nice sterling silver St. Christopher medal, I found a sterling silver ring, a junk ring and 35 coins for \$3.54, my wife Zee found 34 coins for \$3.62 and Paul Mullins recovered 4 coins for 38 cents

It was a good hunt with everyone finding something with the beaches being hit hard.

Next month's hunt on July 24<sup>th</sup> we will be going back to Pacific Beach. At 7 am there will be an almost even tide which will give us plenty of flat low tide area to hunt. Hunt starts at sun-up or whenever you want to come and we will get together a 10 am to brag on our finds.

Should you have any questions give me a call at Columbia Metal Detectors [760 743-8516](tel:7607438516) or catch me on my cell phone [760 291-7900](tel:7602917900).

Hunt Smart!

## **Metal Detecting with John:**

By John Howe

It was a cool, comfortable Sunday hunt. Except for the volleyball players, there weren't many beach-goers. Everybody found \$\$ and 2 silver rings so not a bad day. Hopefully, the beach weather improves and the crowds start coming out losing their stuff!

Here's the results from the June metal detecting at Mission Beach South on June 5th sorted by cash found.

Frank Trutta 37 coins @\$2.90, junk ring

John Howe 29 coins @ \$2.15 , silver ring, 2 pence coin, junk abalone bracelet

Cliff Vaughn 15 coins @\$2.07

Paul Mullins 13 coins @1.53, cool knife

Bob Waldrip 10 coins @\$1.30

Tom Alanaz 22 coins @\$1.05

Zee Trutta 16 coins @\$1.01, small silver ring

Jerry Kaplan 9 coins @\$0.57

Brian Kinnear 2 coin @\$0.30 and the winner of the SKUNK (not many targets in the wet sand)

For the July hunt I'll be going to the Coinshooters Mini Hunt at Bonita Cove. It's on July 10th, the same date as our normal monthly hunt. TSSD members are also welcome. I'll send out a notice.

## **Miner's Cookbook Corner:**

By Judy Carpenter

### **Spicy Corn on the Cob**

#### Ingredients:

4 ears of sweet corn on the cob  
4 tablespoons butter  
1 teaspoon garlic, minced  
1/2 tsp red pepper flakes  
3 tsp chipotle-flavored Tabasco sauce  
1 tsp cumin  
salt and pepper to taste

Shuck ears of corn or just peel back the husk and remove the silk. Mince the garlic. Melt the butter in a sauce pan on low heat. Add the garlic, red pepper flakes, Tabasco, cumin, salt and pepper to the butter and mix together. Rub the cobs with sauce. Place corn in aluminum foil or rewrap with the husk attached and tightly seal the foil around the corn. Cook on the grill for 15 to 20 minutes. Or, if you'd prefer, remove the silk to skip the grill, you can also cook them in the oven at 400 degrees for 20 minutes.

## **BE A ‘DO-ER’ NOT A USER –**

Do you enjoy the meetings? The TSSD claims? The Outings?

Take a look around the general meeting room. Do you see the same people, over and over and over again, working behind the tables to help make the meetings enjoyable?

It’s always the same 20 or so people that work hard at the meetings, events and outings, and behind the scenes to keep this association going.

Are we a ‘*special*’ group? The ‘*in crowd*’? No, we are the ones that at one point said “how can we help?” Many of us have been doing this since the beginning of the association or our date of joining TSSD.

Each and every one of us would love to have someone to help, or even take over, the tasks that are performed. So that we may enjoy the meeting as a ‘*general*’ member or the outings and events.

Are you willing to help? Still working? Not an excuse – many of us still (or did) work full time jobs yet find the time to help.

Take a look at the back page that lists the ‘workers’. Do you see something that interests you? Something that says “I can help do that!”, then step up to the plate and become a ‘do-er’.

## **Know the Difference:**

TSSD is not a ‘club’ nor are we ‘recreational miners’.

We are a ‘Association’ which ties us to the 1872 mining laws and we are “small miners”.

Use these terms when approached by any law enforcement official while out mining.

And **ALWAYS** have your claims guide and current membership card with you.

## **Interested in Joining Us?**

Please come to the sign in table at the beginning of break and fill out an application.

## **CLASSIFIEDS:**

*If you wish to place a classified ad ~ please submit to [charlenemyers@cox.net](mailto:charlenemyers@cox.net) before the 20<sup>th</sup> of each month*

## **See someone Claim Jumping:**

If you see someone that you think is claim jumping one of our claims – you need to do the following: Photograph the person, vehicles, equipment and whatever else you can and send the information to the Board including the date, time and location of the possible offense.

### **TSSD Membership:**

Membership to Treasure Seekers of San Diego is free. We do not charge an annual due. All that is asked is that you attend meetings, participate and support the group through its opportunity drawings and events. To maintain membership, you **MUST** attend one meeting every quarter.

1<sup>st</sup> meeting: Complete and turn in a membership application.

2<sup>nd</sup> meeting: You will be given your TSSD membership card.

3<sup>rd</sup> meeting: You will be able to purchase a TSSD Claims Guide with proof of your membership card.

### **G.P.A.A.:**

Treasure Seekers of San Diego is a chapter of G.P.A.A. This does not require you to become a member of G.P.A.A. but if you are, please advise them that you are also a member of TSSD, so that we are eligible for 'points' from your membership. TSSD uses those 'points' to obtain opportunity raffle items.

### **Conduct and Code of Ethics**

Members shall conduct themselves in the highest ethical standards and reflect no discredit upon this association. This standard shall be one of the qualifications for membership in this association. Any violation of these standards shall be deemed grounds for expulsion.

### **How many is too many?**

How many 'guests 'on our claims is too many?

Re-read your Claim Rules and Regulations that you signed when signing your membership application (a copy is in the claims guide – 3<sup>rd</sup> page, 3<sup>rd</sup> paragraph).

*“The TSSD claims are for the use of TSSD members only. A guest can only go to the organization claims with a TSSD member. A limit of 2 guests with an additional 2 guests by permission of the TSSD President. The guest is limited to two visits and then must then become a member of the TSSD and purchase a TSSD Claims Guide. Unruly guests are the responsibility of the corresponding TSSD member.”*

So those of you who invite more than 2 guests, time after time after time, are in violation of TSSD Claim Rules and Regulations and will place you in a NOT good standing with the association and your membership can (and will) be withdrawn.

Police yourself.

Don't ruin it for yourself or others.

### **TSSD Equipment for Member's Use:**

- 2 Sluice Boxes – 3 feet long
- 1 Sluice Box – 4 feet long
- 1 Mini Recirculating 9-inch sluice with pump, motor and tub
- 1 Mini Recirculating sluice with pump and motor (no tub)
- 1 Highbanker with motor and pump
- 1 Small Dry Washer (no leaf blower)
- 1 Large Dry Washer (Keene 151 with leaf blower)
- 1 Magnetic Sweeper on rollers
- Numerous Metal Detectors – Pioneer, Torrsso Bandido, Torrsso Lobo and others

TSSD has equipment that it loans to its members. All we ask is that anything that is checked out is returned in the same or better condition than when it was borrowed. It is understandable that with the nature of our hobby, the equipment will get some bumps and bruises, which is acceptable. But if parts are lost or broken, it is the responsibility of the ‘borrower’ to repair or replace missing or broken parts. Further details of the equipment check out policy is on the form which you will sign when receiving the item.

Earl Sterrett, 858-922-4547, will be able to assist you with the equipment checkout. He asks that you give him a couple of days’ notice when you might need something, and when items are returned that they are CLEAN. **All equipment must be returned by the meeting following from when it was checked out.** Equipment is located at Valley Rose Self Storage, 1566 E. Valley Parkway in Escondido.

### **TSSD Library:**

Treasure Seekers of San Diego has a tremendous library for its members’ usage. Librarian, Roz Laffoon, will gladly assist you in checking out books, magazines, VHS/DVD’s that show you gold locations and history, treasure hunting, maps and knowledge of what to look for. Anything that is related to gold, gems and treasure hunting is available.

### **TSSD Claims Guides:**

TSSD Claims Guides are available for purchase for \$30.00 (Thirty Dollars).

Inside each guide you will find:

1. List of Officers
2. Current year calendar of events
3. Claim Rules and Regulations
4. Chapter Support and Claims Etiquette
5. Equipment for members to check out and use
6. Claim do’s and don’ts
7. What to expect at an TSSD outing
8. Using Dowsing Rods
9. Detailed maps and information pertaining to the 15 claims of TSSD.

**Claims Assessment Work Form:**

Each and every time you are at one of TSSD's claims, you should be completing a Claims Assessment Work Form (located in the front of the claims guides or at the meetings from the Claims Guide Seller). This form needs to be turned into Robert Cook, TSSD Claims Manager, at the meetings or e-mailing it to him at: [rmjcc@cox.net](mailto:rmjcc@cox.net) or surface mail to: 1941 Rockhoff Road, Escondido, CA 92026-1113.

Needed information required: Claim used, Members name, Date used, Total people prospecting and time on the claim, Type of work done (clean up, maintain, filling in holes, etc.), Members signature, Claims access, Vehicle access, Claim Markers, Claims Guide Directions, Type of equipment used, Type of gold found.

It sounds like a lot, but it really is not. This information is needed to prove that our claims are being worked. If BLM questions us as to the use of our claims or wants to close one of our areas to prospecting, we want to be able to produce records that show that our claims are being used.

Claim Assessment Work forms are available at the sign in table. Please return to Robert Cook.

1. Friendly Fox Claim:

2. Warner Springs Gem Claim:
